Yusif Alabed

Jumeirah Golf Estates, Lime Tree Valley, Villa B-09, Dubai, UAE ▪ +971 52 926 0792 ▪ yusif_alabed@icloud.com

PROFILE AND OBJECTIVE

As an aspiring innovator and mechanical engineer, I excel in my studies and leadership roles. In order to explore my interests, I have undertaken work experiences and successfully competed in olympiads and engineering design challenges.

EDUCATION

Dubai College, Dubai, UAE *2020 - present*

- A-levels: Maths, Further Maths, Physics, Computer Science, EPQ
- GCSEs: Maths (Grade 9), Further Maths (Grade 9), Physics (Grade 9), Chemistry (Grade 9), Biology (Grade 9), English Language (Grade 9), English Literature (Grade 9), Arabic (Grade 9), Design & Technology (Grade 9), Geography (Grade 9), Computer Science (Grade 8), HPQ (Distinction A*)
- HPQ: In what ways is the application of artificial intelligence feasible and/or suitable in agricultural farming in Jordan
    - Wrote a 5200 word dissertation on the topic including case studies of other parts of the world where AI is being implemented and the limitations of Jordan that might mean it's not suitable for the country
    - Presented my paper and ideas to my peers
- EPQ: Yet to start

Summer Program UK University, *Imperial* *Aug 2025*

- Attended lectures by Imperial professors on the different engineering strands and participated in hands on tasks relating to these different strands
- Competed in an enterprise competition where we had to come up with a unique idea in very limited time and present our product alongside a video advert to a panel of judges that included professors from Imperial and entrepreneurs across the UK

Online Courses *2025*

- Fusion 360
- Harvard CS50

WORK EXPERIENCE & RESEARCH

GluCare Integrated Diabetes Center, Dubai, UAE *Intern* *December 16 - January 3 2025*

What does the company do?

- Shadowed Endocrinology Department and Dr. Syed, Head of Engineering
- Sat in diabetic/obesity/general patient consultation sessions
- Learned about different scans for body: Body Composition, thyroid gland scans (official name needed)
- Earned a certificate of completion technology implemented into endocrinology healthcare

Lumiere Research Fellowship Program

- Worked alongside David Nguyen, UC Berkeley alumni
- Created a machine learning model that analyzed patient data to diagnose End Stage Renal Disease
- Wrote a research paper in my findings during the programme that is soon to be published in the Journal of High School Science

LEADERSHIP AND ACTIVITIES

MUN, Dubai College, *Member* *Jul 2020 - Present*

- Attend weekly meetings to discuss and simulate international assemblies
- Represented Brazil, India, Bulgaria at various conferences across the UAE

Student Council, Dubai College, *Student Council Member* *2022, 2024*

Computer Hardware Society, Dubai College, *Member* *Spring 2025*

House Captain, Dubai College, *House Captain* *2025-Present*

COMMUNITY SERVICE

Touch Dubai, *Volunteer* September *2023* - Present

- Facilitates weekly sports and activities programs for those with a wide of range of mental and physical disabilities at CrossFit Alioth

AWARDS

- Waterloo Math Cayley contest distinction (2025)
- Waterloo Math Cayley contest school medal (2025)
- ACSL *American Computer Science League* (2025)
- Bebras Challenge Distinction in Computational Thinking (2024)
- UKMT Challenge Bronze, Senior; Gold in Intermediate (2023)
- Duke of Edinburgh Silver (2025), Bronze (2024)

SKILLS

Languages: Fluent in English and Arabic
Computer: Python (Intermediate)
Piano ABRSM Grade 6
Basketball 5 years
Soccer 12 years
Competitive Skiing 6 years, 5 years recreational
Golf 8 years
